

TASCOE SELFIE TOUR!

Welcome to the TASCOE Selfie Tour! Tours are an integral part of Area Rallies and NASCOE conventions. They allow members to see local attractions, agriculture and allow greater connections. TASCOE would like to bring the adventure to its members attending the 2021 convention. Just like the convention, we are putting a hybrid twist to it. It does not matter if you are hoping in a car, catching a flight, or sitting behind a screen. We want to take you on a self-guided tour Wednesday as we kick off the 2021 TASCOE Convention. The best Wednesday Tour Selfie will win a prize announced during the 2021 Hybrid TASCOE Convention.

HOW IT WORKS:

- 1) For TASCOE attendees driving or flying, stop at one of the official tour locations to capture a selfie. Virtual TASCOE attendees may use a combination of Google Maps and Virtual Tours to capture their selfie at a tour stop.
- 2) Post your selfie to the TASCOE Facebook Page using **#TASCOEBOOTSINROUTE**.
- 3) Winner will be announced during the TASCOE Convention.
